

Brantho-Korrux

Corrosion resistance • Metal protection • Maintenance coating

Brantho-Korrux 3 in 1

Nitrofest

2-Kompo

All colour shades can be mixed with each other in any ratio, even between „3in1“, „Nitrofest“ and „Robust-Lack“ varieties (not with „2-Kompo“).

All colours are available as wet paint for brushing, rolling and spraying in 750ml-, 5ltr-, 10ltr-, 19ltr and 200ltr containers.

Robust-Lack

33 non-effect colour shades are available glossy as Branth's „Robust-Lack“ from our warehouse.

The „Robust-Lack“ is fully compatible with „3in1“ and/or „Nitrofest“.
